## COMMUNICATION

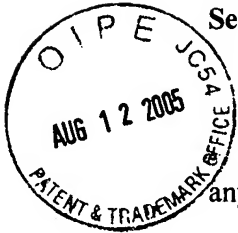

This communication is filed further to an August 10, 2005 telephone conference between Examiner Lao and the undersigned. During the telephone conference, the Examiner indicated that the Office was unable to locate the CD-ROMs previously filed by Applicant containing Tables 1-10. The two CD-ROMs (copy 1 and copy 2) were originally filed by Applicants on December 15, 2003. The Patent Office acknowledged receipt of the two CD-ROMS by returning the return postcard specifically listing the two CD-ROMS. However, in an attempt to expedite the prosecution of the present application, Applicants attach hereto duplicate copies of the CD-ROMS containing Tables 1-10. Applicants note that the CD-ROMS filed herewith are identical copies of the CD-ROMS filed December 15, 2003 and that the Tables contain the sequences set forth in the sequence listing.
